## T. F. THOMAS

T. F. THOMAS will have charge of the Democratic banquet and ratification meeting to be held on January 8th. For years Mr. Thomas has been prominently identified with the Democratic party in the state and nation, and was

T. F. THOMAS

Democratic county chairman during one of the most strenuous campaigns ever waged here.

Mr. Thomas is famous for his banquets, having gained his first experience at the old Walker house, when Major Erb was the manager. He was born here and early became interested in the hotel business before politics and other public affairs attracted him. It was here that he gained his first experience in providing large banquets, and successively for twenty years he has been the chairman of all large affairs of this nature given by the Democrats.

Mr. Thomas is at present Collector of the Port, and in view of the makeup of the Electoral College since the last election will probably not be disturbed for four years to come. He is very popular and prominent in all of the affairs of the Democratic party.

## WHAT'S IN A NAME

"A PHILOSOPHER mediating on the mutability of human fortunes might well take for his text the sad story of the Hugheses. A month ago Hughes was a name which inspired a number of quite worthy people with something like frenzy. Now, how different is the view. The premier of Australia has staked his reputation on a vote, and has been beaten. Judge Hughes in the States has failed of his high ambition. And Sir Sam Hughes in Canada has been shorn of his power, and is avenging himself by intemperate attacks on the home government. It will be some time before people seek again to conjure with this particular name."—Westminster Gazette.
